III. Procedures for Use

A. Application for Facilities Use

1. An individual, group, or organization (user), seeking to use school facilities must first apply as an Organization Event Coordinator (OEC) through the online system “Community Use,” by accessing the Risk Management and Security Services Web site at pwcs.riskmanagement.schoolfusion.us and clicking on the Community Use link. Once receiving an email notification the applicant has been approved, the user may then submit a request to reserve space through the online system. Requests must be submitted a minimum of thirty (30) business days in advance for commercial events and fifteen (15) business days in advance for all other activities. If a user does not have Internet access, paper copies of the application are available at each school location. Paper forms must be returned to the school the user wishes to rent.
2. The user must contact school personnel to request any changes to a scheduled event as soon as possible. This includes, but is not limited to: requests to change rooms/areas, modification of set-up details, time of the event, cancellations, etc.
3. Non-profit sports leagues, those requesting use of the grass fields, or users seeking to reserve school facilities to hold recreational activities must first contact the Department of Parks and Recreation (formerly known as the Prince William County Park Authority) per the Cooperative Agreement between the Prince William County School Board and the Department of Parks and Recreation Board. These types of users do not need to register as OECs. Please review Attachment V for additional information regarding use of artificial turf fields (ATFs).
4. Organizations which are a part of the Prince William County Arts Council (PWCAC) may not book directly with the school facilities. Individuals must contact the appropriate representative of the PWCAC and ask that the event be booked for them. These types of users do not need to register as OECs. Please review Attachment V for additional information.

IV. Responsibility of All Users

- A. All users will conduct activities that are orderly and lawful, not of a nature to incite others to disorder, and not restricted by reason of race, religion, sex, creed or national origin.

- B. Users will ensure they do not smoke or bring alcoholic and/or controlled substances on School Board property, or allow others within their organization/group to smoke or bring alcoholic and/or controlled substances on School Board property.
 - C. Users shall be limited to those areas which they have requested.
 - D. All users are required to maintain a minimum \$1,000,000 policy in liability insurance coverage for all activities. A copy of the certificate will be required prior to the activity taking place.
 - E. If an activity is marked as “Pending,” the user will not hold any activity at the facility until all requirements have been fulfilled.
 - F. The individual or organization requesting rental of school facilities will be held financially liable for the terms of the agreement.
 - G. Individuals, groups, or organizations may not store items at any school facility.
 - H. Users will not adjust any thermostats or time clocks governing heating and cooling cycles in the facilities.
 - I. In the event that schools are canceled due to inclement weather or other emergency conditions, it is the user’s responsibility to notify their members of such circumstances. School closures and delays are regularly posted on the PWCS Web site at pwcs.edu.
 - J. The community user agrees to assume full responsibility for, and hold the School Board, its agents, servants, and employees harmless from, any legal liability, injury, or damage to the person or property of the applicant or others and to assume full responsibility of any damage to any school property or person in connection with the use of the school facilities, including negligence by the user or the user’s employees and its agents, to include all participants.
 - K. Users agree to comply with all other safety regulations, policies, rules and guidelines set forth by PWCS.
- V. Responsibility of the Schools

The following shall be the responsibility of the school:

- A. Schools are to enter all school-related activities, which occur before and after normal school hours, on the weekends and on holidays into the Facilities Scheduling Direct (FS Direct) system.

- B. The designated community use person will log into the FS Direct system at least twice a week to review submitted schedule requests.
- C. The designated community use person will review the FS Direct calendar weekly and verify there are no conflicts with scheduled activities.
- D. The school will cancel events in a timely manner and verify the user has been informed of the reason for the cancellation.
- E. Schools are responsible for approving activities at their level. Schools are not to “Activate” any schedules. Likewise, schools will not allow any individual, group, or organization to use the facilities until the final approval has come from the Office of Risk Management and Security Services.
- F. Schools are to provide the appropriate personnel to work community use events.
- G. Schools shall not book events for outside users under the school unless it is an approved school-sponsored activity. Schools will require all users to request through the online scheduling system “Community Use.” The school shall also provide written instructions to users detailing how to submit their request over the Web or a hard copy of the Community Use of Schools Rental (Attachment I) form to individuals without Internet access. It is the school’s responsibility to input paper applications into the FS Direct system.
- H. Schools shall verify that all requests for use have specified AC/Heating as required for the event. If not, the designated community use person will check the option under the “Set-up Requirements” section within FS Direct to ensure maintenance provides the indoor services as needed.
- I. The school shall not allow events marked as “Pending” to take place until all requirements are met.
- J. Schools are responsible for creating invoices and providing them to the user at least ten (10) business days in advance. Any changes to the invoice, due to adjusted rental times or personnel hours, will be resubmitted to the user after the event has taken place.
- K. Fees shall be collected by the school in advance with the exception of internal PWCS-related activities. In the event the school fails to collect fees in advance and an organization does not pay, the school is still liable for payment to the Office of Risk Management and Security Services.

- L. To ensure all employees are paid for worked community use events, schools shall forward the employee's original timecard(s) along with the Community Use Payroll Information Form (Attachment VI) to the Office of Risk Management and Security Services. The school must complete the required Personnel Requisition Form prior to a Student Technician receiving payment for community use events.
- M. Schools are to retain twenty-five percent (25%) of the building rental and any special fees (e.g., microphones, stage lights) charged to users. The remaining seventy-five percent (75%) and all personnel fees will be forwarded to the Office of Risk Management and Security Services via the Community Use Monthly Payment Sheet (Attachment VII). Payments are to be submitted no later than the fifth (5th) of the following month, after the event has taken place.
- N. Any documents providing proof of general liability insurance or non-profit status shall be forwarded to the Office of Risk Management and Security Services for review.
- O. Activities submitted into FS Direct as fundraisers must have prior approval from the appropriate level associate. A copy of the signed fundraiser sheet should be forwarded to the Office of Risk Management and Security Services.
- P. Safety/security concerns regarding any community use activity are to be directed to the Office of Risk Management and Security Services.

VI. Personnel

Only full-time PWCS employees are permitted to work community use events. Substitute teachers and temporary employees may not work these types of activities due to the manner in which they receive pay. All personnel fees include staff hours needed for set-up of an event.

A. Supervision

- 1. The principal, or designee, at each school location will determine, within reason, if a supervisor is needed to work an event. A decision to waive supervisory fees may be done at the principal's discretion. Per Regulation 561.03-1, Work Day, Meetings, and Responsibilities, principals, management personnel and activity directors may not be paid for working as a supervisor. Administrators may donate their time. The supervisor is required to remain visible to the group at all times and is responsible for making regular checks of the area in use, restricting user groups to scheduled areas, reporting irregularities, and making safety inspections. Specific duties of the Supervisor may include:

- a. Ensuring users are admitted to the facility at the contract start time and leave at the contract end time;
- b. Providing information, assistance, and direction to users;
- c. Supervising large groups; and
- d. Gathering pertinent information and reporting incidents, damage, breakage of property and equipment, injuries, unsafe practices or conditions, and security problems.

B. Custodial Support

1. The principal or designee at each school location will determine, within reason, custodial hours and the number of custodians needed to work an event. Per Regulation 526-1, Overtime and Compensatory Time Provisions, classified personnel cannot volunteer their time and must be paid at their overtime rate when required to work more than 40 hours per week. Specific duties of custodial support may include:
 - a. Unlocking and locking doors;
 - b. Operating ceiling lights;
 - c. Setting up chairs, tables and bleachers; and
 - d. Clean up after community use events.

C. Other Required Personnel Services

1. Any user wishing to use the kitchen facilities will incur a personnel fee for a School Food and Nutrition Services employee. A separate contract is to be completed by the user through the Office of School Food and Nutrition Services.
2. Users requesting use of stage lighting and equipment must pay for a student technician. Only experienced technicians, familiar with the equipment in the school, may operate lighting and sound systems.

- D. Under no circumstances shall an employee be directly paid by a community user, nor shall any employee accept payment directly from a user.

VII. Processing a Community Use Application

- A. Once an application is submitted, the user will receive online notifications, advising the status of their request, via the following:
 1. An email to advise their request was successfully submitted to the school of choice;
 2. An email notifying the applicant the school has approved the request; and

3. A final email advising the requested activity has been “Approved” and “Activated,” meaning the final approval from the Office of Risk Management and Security Services has been received.
- B. All documentation requested of a user and those items as outlined in this regulation are due prior to the event taking place. Failure to do so will result in denial of use.
 - C. At the discretion of the Office of Risk Management and Security Services, an event may be placed on “Pending” status to notify the user additional documentation is required before the activity may proceed. Pending status does not mean the activity has been approved. The organization or individual requesting space must fulfill all requirements of the pending status and are not authorized to meet at the location until then.

VIII. Cancellation of Use

- A. Use of schools by organizations shall be canceled when schools are closed due to inclement weather or other emergency conditions. Facilities scheduled for weekend use must establish a contact person at the school level, in the event of severe weather, to determine if the activity will be canceled. In turn, users are required to notify their members of such circumstances. School closures and cancellations are regularly posted on the PWCS Web site at pwcs.edu. In the event a Divisionwide school cancellation was not initiated, the principal or designee shall be responsible in determining if community use activities may be safely held.
- B. The School Division reserves the right to cancel or deny any use when such action deems to be in the best interest of PWCS. Reasons why a schedule may be canceled include, but are not limited to:
 1. The activity is set to take place on a designated federal holiday or during a time when staff and students are normally in the building (e.g., during normal school hours, Thanksgiving Day, Spring Break);
 2. School personnel are not available to work on the date of the activity due to planned school activities;
 3. Rescheduling school-sponsored activities creates a conflict with a scheduled community use event;
 4. The applicant has not fulfilled all requirements prior to the event date (e.g., lack of general liability insurance);
 5. Misrepresentation by the user of the proposed activity;
 6. The individual, group or organization has demonstrated a history of failing to comply with rules and regulations set forth by PWCS; and/or
 7. User has failed to pay for past usage of the school facilities.

Payment must be received in advance of the activity. The user agrees that failure to pay for use by the date of the event will result in a ten percent (10%) late penalty fee. All penalty fees are to be forwarded to the Office of Risk Management and Security Services. PWCS reserves the right to deny use of the facilities to any user who fails to pay prior to the event date.
 - F. Checks returned due to non-sufficient funds will be assessed a ten percent (10%) penalty fee. This penalty fee is to be forwarded to the Office of Risk Management and Security Services. Presents the
Tenant User Liability Insurance Program
How-To Guide

Prince William County Public Schools (PWCS) requires all individuals, groups or organizations to carry a minimum of \$1,000,000 in liability insurance coverage for activities. If you do not have general liability insurance, or are unsure where to purchase it, PWCS has enrolled in a program which allows you, the “user” of a school, or other School Board property, to secure cost effective liability insurance that provides protection for you as well as the governmental entity. The Tenant User Liability Insurance Program (TULIP) is a General Liability Policy written in the name of the tenants and/or users of the local government facility or venue.

Prince William County Public Schools is a registered user of the TULIP program through the National League of Cities (NLC), and HUB International New England via Entertainment Brokers International.

Our assigned unique Entity ID-Code is: 0501-511

How it works:

1. Log on to www.ebi-ins.com/tulip
2. Enter the Entity ID-Code listed above or use the entity drop down menu
3. Select the Type of “Event” or: “Activity” from the drop down window, e.g., wedding or festival.
4. Answer the questions that follow such as:
 - o Have you held this event before? Yes No
 - o If yes, were there any losses or claims? Yes No
 - o Will there be armed private security at this event or activity? (Off duty police not included) Yes No
5. Select the Event date or dates on the calendar by clicking on the day of event (if multiple regularly scheduled dates, select all of these).
6. At this point you are able to receive a quick quote by clicking on:

7. If you would now like to proceed and purchase the coverage, please complete the requested Contact and Credit Card Information, and coverage is automatically bound.
8. A Certificate of Insurance is issued and sent via email, in your Name or Organization’s Name, with a Certificate automatically sent via email to your local government.

If you experience technical difficulties or have questions about the eligibility or classification of your event, please contact Entertainment Brokers International at 1-800-507-8414 (8:30am – 5:00pm PST).

**ATTENTION TO ALL SPORTS LEAGUES, ATHLETIC ORGANIZATIONS, OR
INDIVIDUALS WISHING TO RESERVE USE OF THE FIELDS OR HOLD
ACTIVITIES CONSIDERED RECREATIONAL IN NATURE**

Per the Cooperative Agreement between the Prince William County School Board and the Department of Parks and Recreation Board, the Department of Parks and Recreation has the second priority for use of schools and related facilities. Sports leagues, those requesting use of the grass fields, or otherwise seeking to reserve grass fields or school facilities to hold recreational activities must contact the Sports Services Office at 703.792.7060.

Reservations for turf fields may be completed by contacting the school facility directly and scheduling the request following all procedures as outlined in the “Procedures of Use” section within Regulation 930-1, Community Use of School Facilities.

Application submission dates vary depending upon the season and type of activity.

The Department of Parks and Recreation will only schedule organizations able to supply proof of non-profit status. If you represent a commercial or semi-pro sports league/team, then you may schedule directly with PWCS by following the procedures outlined in the “Procedures of Use” section within Regulation 930-1, Community Use of School Facilities.

PWCS fields officially close on December 1st and open on April 1st.

**ATTENTION TO ALL PRINCE WILLIAM COUNTY ARTS COUNCIL
ORGANIZATIONS WISHING TO REQUEST USE OF SPACE**

Prince William County Arts Council (PWCAC) organizations are allowed to reserve the facilities at a reduced rate. In order to take advantage of this, the organization may not book directly with the schools. Individuals must contact the representative of the PWCAC at 703.856.3402 and ask that the event be booked by the Arts Council liaison.

E5007.00 Turf Fields Fundraiser Procedures

Funds raised from rent-free commercial fundraisers are to be submitted along with the “Turf Field Reserve Fund Form.” The appropriate sections must be completed and forwarded to the Office of Financial Services prior to the deposit and withdrawal of funds for the artificial turf fields. These procedures should be followed:

SUBMISSION OF FUNDS:

1. Collect the Community Use funds and deposit them into Account E5007. Account E5007 is a special fund created for money generated specifically for the turf fields.
2. At the end of each month, write a check to PWCS and remit it, along with the “Turf Field Reserve Fund Form” (completing the Deposit of Funds section) to the Office of Financial Services.
3. The Office of Financial Services will set up an appropriate cash reserve account for these funds.

WITHDRAWAL OF FUNDS:

1. When the school is ready to utilize the funds, complete the “Turf Field Reserve Fund Form” Expenditure Budget section, with the appropriate approvals and send the completed form to the Office of Financial Services.
2. The Office of Financial Services will create an EB and appropriate the funds.
3. The school may then create the DO or PD for transfer of funds.

Refer to Regulation 930-1, Community Use of School Facilities, for additional information.
